NEW INTRODUCTIONS FOR 1957

We feel fortunate indeed to be in the position to introduce some of the new Iris creations of Region 21. For some time now we have been watching the seedlings of Mr. Jenkins of Bellevue, Nebr. We feel as many other judges do that Byron has many superior iris and we are very pleased that he has consented to let us list one of his new introductions this year. He is anxious for you to all be able to see this new iris so is introducing it at a very nominal price. We were sorry that he does not have enough stock of the new Tomahawk for introduction this year.

FLIGHT LINE (Jenkins '57) (Chivalry & Pink Cameo)—A Campanula Violet self with haft markings of yellow and brown. Very heavy substance and a well-branched stalk. -----net \$5.00

Greetings . . . 1957

A new Iris season is at hand with the promise of spring and beautiful flowers. As the days become warmer, mother earth takes on a new look. Life becomes more fascinating as each new day brings more color and perfume to the garden. This season promises to be the best ever at our Vermillion Gardens. Many new varieties have been added to the plantings. We feel very fortunate to have all of the new things from Henry Sass. Other new ones are Monkshood and Enchanting Moment of Emery's; Blue Tinsel, Blue Marvel, Blue Challenge, Soopreme-Soo and Marion from Geo. Dubes; Oriental Charm, Harriet Bell Rigg and White Charm of Ethel Ricker; the new Waltlen from the Fruedenberg Gardens, Westward, and five new Dwarfs from the Franklin Gardens and Flight Line and Tomahawk from the Garden of Byron Jenkins. Also many recent introductions of other Hybridizers. Many seedlings numbered in '56 were interesting and we are always anxious to watch them bloom the second year.

We wish to say "Thank You" to the many satisfied customers and friends. Your letters of praise have been most deeply appreciated. We extend a hearty welcome to all who can to come and visit our many fields at bloom time. You are invited to come and enjoy the Iris with us.

Sincerely,

CLIFFORD W. SMITH
